

My Pencil Box

I spy something in my pencil
box that is pointy.
It is a pencil.

I spy something in my pencil box that is pink.
It is an eraser.

I spy something in my pencil box that is sharp.
It is my scissors.

I spy something in my pencil
box that is colorful.
It is my crayons.

I spy something in my pencil
box that is sticky.
It is my glue.

I spy something in my pencil box that is folded.
It is a note.

I spy something in my pencil
box that is shiny.
It is my milk money.
