

KEY WORD SEARCH ACTIVITY SHEET

Name _____

Date _____

What is your topic?	
What is a synonym or another word or phrase that means the same?	
What is a word that is a larger more general topic?	
What words are more narrow or more specific?	
What words or ideas would you want to exclude?	

Have you checked the index of an encyclopedia for your topic?

Did you get any ideas for other words to include in your search?

You can now go to books and / or the Internet and use these search words with Boolean Operators to help you find the information that you want.
